## Safety, Security and Environmental Protection at KIT

KIT EMERGENCY CALL

SAFETY AND ENVIRONMENT

## An Important Source of Information

### KISS

In the KIT Information System on Safety (KISS) you will find everything you need to know about safety, security and environmental protection. You can access KISS via the KIT Intranet. It contains the most important regulations as well as working aids, forms, authorization notices and much more.

[www.kiss.kit.edu](http://www.kiss.kit.edu)

In KISS you will find information about the following topics:

- Waste Management
- General Safety
- Work Safety
- Commissioners of KIT
- Biological Safety
- Fire Protection
- Hazardous Goods
- Chemical Safety
- Water Protection
- Radiation Protection
- Animal Protection
- Operational Safety
